

THE UNIVERSITY OF TENNESSEE ETREC-Blount Unit

ANGUS PRODUCTION SALE

4341 UT Farm Rd, Louisville, TN 37777

Online [AngusLive.com](https://www.AngusLive.com)

Auction Ends 8:00pm EDT April 8th 2021

HORSE RACE STYLE CLOSING FORMAT FOR THIS SALE! WHEN TIME EXPIRES, ALL LOTS ARE DECLARED SOLD! ORIGINAL ENDING TIME: 7PM CST WITH EXTENDED BIDDING TO FOLLOW! EXTENDED BIDDING WILL CONTINUE UNTIL THERE IS NO BIDDING FOR 5 MINUTES!

With this option, all lots will close simultaneously. A few benefits to this style of auction are the buyer has the CHOICE to switch to any lot(s) in the offering if he is outbid on his/her current choice; buyer does not have to deal with the sale order of the sale because all lots are offered and bid on simultaneously; and the buyer has a choice(s) and more time to make his/her decision.

Extended Bidding means that the auction is not declared closed until there have been ten minutes of inactivity on the current sale. If there is any bidding during the inactivity period, the auction is extended until there is no bidding for ten minutes during the inactivity period. You can always check the time remaining that appears next to each lot item. **REMEMBER TO CLICK ON THE REFRESH BUTTON TO UPDATE THE TIME REMAINING!** For this sale the extended bidding period is 5 minutes.

Example 1: Auction Closes at 7pm. There is no bidding from 6:55 pm to 7pm. All lots are declared closed and the sale ends at 7pm.

Example 2: Auction closes at 7pm. There is a bid placed at 6:58pm. The Auction is extended 5 additional minutes. No more bidding occurs. All lots are declared closed and the sale ends at 7:03pm.

Example 3: Auction Closes at 7pm. There is a bid placed at 6:58pm. Auction is extended by 5 minutes until 7:03 pm. Another bid is placed at 7:02 pm. No more bids are placed. All lots are declared closed and the sale ends at 7:07 pm

*In the event of an extended auction there will be no bids accepted after 11:59 ET.

Maximum Bidding is a feature you may use during the duration of the auction. This feature allows you to place a private maximum bid that only you will be aware of and allow the computer to bid on you behalf when another bidder places a bid on the same animal(s) as you.

Angus Live Sale Management Contacts:

Jeremy Haag (816) 516-1309

When a buyer registers for a buyer's number on the Angus Live website, that number is good for all Angus Live Sales, only if ALL information is correct.

TERMS: All bidding and payments are in US Dollars. Accepted payment forms are: Corporate or personal check, cashier's check, money order, Visa, Master Card, and Discover all immediately negotiable. 5% Credit Card convenience charge will be placed on all credit card purchases (Accepted - Visa, Master Card, and Discover). Late fees are subject to a 15% finance charge after the seventh day. A fee of \$50 will be assessed on all late payments or returned checks and the bidder will be denied access to future auctions. Payments by credit card must be called in to office at the conclusion of the sale - Angus Live (816) 516-1309 to complete this process by phone. There are NO BUYERS PREMIUMS in effect for this auction.

CONDITIONS: Any person placing bids on items in a specific auction agrees to these terms and conditions and understands that, by placing bids, they are entering into a binding contract between themselves and the seller(s) and that they will be held financially responsible for their actions. Angus Live acts as an agent between buyer and seller and may not be held responsible for any livestock merchandise. It is clear that Angus Live and representatives act only as a means between buyer and seller, and may not be held liable, financially or otherwise, for any failure on the part of the same to fulfill any obligations set forth in the sale or for the truths of any warranties expressed or implied. The information stated in the catalog has been prepared by sale management from the information provided by the seller(s) and is assumed to be fully accurate as presented to us. The sales of Angus breeding cattle will sell under the same standard and conditions of the American Angus Association.

INVOICING: An invoice with payment instructions will be sent to new buyer registered by e-mail at the close of bidding and sale. If you do not receive invoice by e-mail within 24-48 hours following the close of the auction, and after checking your junk mail folder, please contact (816) 516-1309. See "Terms" for payment options. Failure to complete the payment terms as stated above will result in forfeiture of animals purchased and immediately reported to the Credit Bureau. Be sure you are capable of paying immediately and realize your bids are not based on financing. Angus Live reserves the right to charge the entire purchase price and late fees to the credit card on file if payment is not made in the seven days after the close of the auction.

TRUCKING: Each buyer is responsible for making their own trucking arrangements through seller or Angus Live. Trucking arrangements need to be made prior to or immediately following the sale. NO animal(s) will be delivered until payment is made in full.

HEALTH PAPERS: Furnished upon request for each animal. Any exportable animal(s) will need special testing and will be at buyer's expense unless otherwise discussed with seller.

EMBRYO/SEMEN: These item(s) will be sold in terms of so much times the number of units selling. Buyer on all embryos and semen will be responsible for all shipping cost. Embryos and semen sold will be noted if they are exportable to other countries in the footnote section of each lot.

LIABILITY: Angus Live is not responsible for injury or accidents. Animal(s) become property of the new buyer when sold. Following the auction we strongly recommend that all new owners take out mortality insurance on their purchases. Angus Live nor seller cannot be held responsible for the health or condition of animals after the conclusion of animal(s) being sold. Angus Live assumes no liability for accidents or injuries that occurs. All Angus breeding stock will sell under standard terms and conditions of the American Angus Association.

EPDs contained in the hard copy of this sale book were current as of print date. Digital versions of this sale book can be viewed online at www.angus.org and will have EPDs updated every Friday with the exception of EPD references in footnotes and photos. Any PDF downloads from the website will contain EPDs current as of the date downloaded. References: American Angus Association®, AHIR®, AngusSource®, CAB®, Pathfinder®.

Dear Friends,

Welcome to our Annual UT Institute of Agriculture Angus Production Sale from the ETREC Blount Unit Registered Angus herd.

Due to the current situation with today's pandemic, we have decided to hold our sale online this year with AngusLive.com. There will be two opportunities to come to the farm and look at the sale cattle, March 27th and April 3rd from 1 P.M. to 5 P.M. We believe that we have a strong offering of UT Angus genetics available for sale. We hope that you will study the phenotypes, pedigrees and EPDs of the cattle listed in this sale book.

This Angus herd has a long standing history and tradition of high-performance, growth, milking ability and longevity. This sale provides a rare and unique opportunity to purchase females from our herd. You will see some very impressive cows with growth calves at their side. This herd is often noted for having cows with very correct and impressive udder conformation, and for having the ability to breed back while producing more than adequate milk for their calves. Reproductive efficiency, calving intervals and fertility are traits that we heavily emphasize.

This year our sale offering will present 5 fall pairs with heifer calves at side and 5 fall yearling heifers. There are 15 yearling bulls cataloged that completed a 96-day on farm feed test. They were fed a cracked-corn, cottonseed hull based developer feed. They had an average daily gain of 3.7 lbs./day and an adjusted average yearling weight of 1,272 lbs. All of the bulls that are being offered for sale on sale day have passed a breeding soundness examination, with genomic enhanced EPDs and they have all been vaccinated according to the UT College of Veterinary Medicine herd health recommendations.

Lastly, we want to thank the crews of Blount Unit and Holston Unit for their hard work and dedication to providing quality Angus cattle. We look forward to seeing you at the farm to see the sale cattle and hope that our offering of UT Angus genetics will be of interest to you in your breeding program.

Sincerely,
Brandon Beavers
Farm Manager, ETREC Blount Unit
